JAZZ COURSE UK ETHOS AND OBJECTIVES

Our approach is to help musicians learn through a combination of ensemble playing, instrument and voice group coaching, performance and recording in a friendly, non-threatening atmosphere.

Students will be able to further develop their musical and creative skills through practical application of areas taught on the course such as jazz theory, arranging, comping, voicings, improvisation techniques etc., whilst increasing their confidence in all areas of jazz performance.

Emphasis is given to the practical elements of playing and performing. Recording is also offered on some courses.

Jazz Course UK

Cambridge Jazz Course (Summer)

Running since 1995, the Cambridge Jazz Course is the most established of its kind in the area and has helped hundreds of musicians to develop their jazz playing. Modern facilities, easy access to the city, not to mention the wonderful historic atmosphere of Cambridge itself, makes this course an ideal location to learn jazz.

The course is designed for the beginner to intermediate musician and is suitable for musicians with an equivalent level of Grade 3 and upwards. Normally running in late-July, specific running dates can be found in our brochure or on the Jazz Course UK website.

This pack also includes full information on our Jazz Weekender course in Cambridge.

Jazz Course UK

Cambridge Jazz Weekender (Easter)

The Jazz Weekender concept was launched in 2005. These courses are aimed at musicians of all ages and will also suit those who find it difficult to attend our courses that include weekdays. The courses are themed focusing on a particular jazz style or playing the music of a well-known jazz artist.

St Faith's school offers modern facilities and easy access to the city centre. Cambridge itself has some fantastic historical buildings to discover, not least within its world famous university. The city also boasts a large number of parkland areas, some great places to eat and drink and year round artistic events.

The Jazz Weekender course level may change according to the course content. Please refer to the course outline information found on our website or in the current brochure and ensure you have the required skill level. An explanation of skill levels can be found by clicking on Choose Level in the box on the right. Alternatively please call Jazz Course UK direct.

Courses run from 10-4 each day.

3b. Photos, videos, recordings and quotes

It is normal practice for photos and/or videos to be taken during a course for publicity purposes, e.g. for use on our own leaflets and website, for student recordings to be used as website downloads, and for us to use quotes from student feedback. Any student preferring not to have photos, videos, recordings or quotes used in this way should contact us prior to the course.

Any student found to be behaving in an inappropriate, disrespectful or threatening manner to tutors or students alike may also be asked to leave the course.

If a student has cause for complaint about any aspect of a course they should approach a course leader at an appropriate time such as at the close of the day or, if more urgently, during a break. We will then do our best to resolve the matter. We ask students not to raise any such problems during a class session unless the issue relates directly to the music that the class is working on.
